

The Printing & Imaging Association Mountain States and the Colorado Department of Public Health and Environment are committed to Continual Improvement of the Printing & Imaging Industry

The ERP is a voluntary program developed to help you understand your regulatory requirements and help your business move beyond compliance toward a more sustainable business environment.

Free & confidential assistance is available to participating companies. Identities and information shared during the ERP will remain in the confidence of the PIAMS.

Participants in the program are eligible to become PIAMS Green Members and may qualify for the Environmental Leadership Program through the Colorado Department of Public Health and Environment. Great PR for your business!

We look forward to working with you during the 2010 Environmental Results Program.
